Due to budget considerations we will be asking that all participants pay for room and meals for the Regional Festival and the State Festival if we qualify. (The Administration has paid for travel fees and meals for State, but due to budget considerations this year, may not be able to pay for hotels.) We also ask that each participant purchase a show T-shirt for all festivals. This total cost will be about **\$100.00** for 1 - 2 nights in hotel, 1 t-shirt, 6 meals. More info and exact money and when it is due will follow.

You must have an excuse to miss a rehearsal. All cast are needed at almost every rehearsal and all crew members must begin attending on Jan 22nd, if not before. Please call Mrs. Pam Steers if you can not make a rehearsal due to EMERGENCY circumstances: Voice mail 235-7599 ex 5246 or school email is psteers@egrps.org. This includes when you are sick and home from school. My home phone is 784-8909 if you need to call me over holiday break, semester break or mid-winter break.

You all have some work to do over the holiday break:

Cast: Clear your schedules. Do some research on the Terezin Concentration Camp and I Never Saw Another Butterfly collection. Begin Memorizing lines.

Crew: Clear your schedules and check the schedule for meeting dates and deadlines and work on costumes, makeup, props and lobby display items. Do some research on the Terezin Concentration Camp and I Never Saw Another Butterfly collection
All crew are welcome to attend any rehearsals prior to Jan 18th to become familiar with the show.

Cast will be allowed scripts for blocking rehearsals, but then I'd like you off book. The scripts are yours to keep and mark up.

Districts : We are hosting! This will mean extra work for all students involved -yeah! If we get a I or II ranking we will advance on to the Regional Competition.

Regionals: We will not know until **after** Districts where our Regional will be. We often have to travel across the State to a location. There are some serious rumors though that we will be able to attend a regional at either FHE, GRC or Olivet. There are new rules this year for Regionals, we must take first or second place in order to qualify for State - very tough competition. These Saturday competitions are what this play is all about, meeting other students from around the state, watching theatre and participating in a fun day. Be prepared for long days and lots of traveling. More details will follow as I get information on locations and times.

If there is no school due to a snow day, there will be no rehearsal, unless we call you at home personally. ***(It could happen!) If you don't get a call -there will be NO REHEARSAL.***

The **trip slip** is for all the Festivals we may be participating in this year. Parents need to sign them and get them turned in by **Wed. Dec 16th**.

It is a tradition at these festivals that each school wear show T-shirts when not performing. It kind of acts as an ice breaker when meeting and socializing with students from other schools. **\$13.00** from each student is **due by Mon. Jan 4.**

We will **need parent drivers** for Sat. Feb 13 to TBA for Regionals. A school bus travels very slow and costs a lot of money. With parent drivers, if some students need to leave early for solo-ensembles, dances, etc, we can **TRY TO** make arrangements - **NO PROMISES!** Parents, if you can drive, please e-mail me at psteers@egrps.org or call my voice mail at 235-7599 ext 5246 and I'll get you details. We will need 8 drivers (that's the minimum based upon 6 passenger vans.) **I DO NOT** allow students to drive. It's winter, long distances, and we get tired. If we qualify for State- we will also need drivers for either Thursday, Feb 12 in the pm or Friday, Feb 13 in early am. We stay overnight in Midland and need drivers to also stay the night with us as chaperones and drivers. We would return on the evening of Feb 14th.
